**Community Care Collective** is an inclusive and supportive experience-based program for NDIS participants. We work with people between the ages of 14-40, spending the majority of our time in the community to help people of all abilities engage in meaningful activities. We tailor our programs to meet all needs and work towards our clients goals. A day with CCC involves city experiences, sporting events, workforce volunteering experiences, monthly camps, interstate holidays, day trips and so much more.

We operate 7 days per week in Melbourne, creating memories and providing supported opportunities to build and strengthen friendships, challenge independence, develop life skills, and experience everything Melbourne has to offer. We thrive on being out and actively engaged in community access.

# Theme Song

Oh we're from Whittlesea  
A fighting fury  
We're from Whittlesea  
In any weather you will see us with a grin  
Risking head and shin  
If we're behind then never mind  
We'll fight and fight and win  
Oh we're from Whittlesea  
We never weaken till the final sirens gone  
Like the Pacers of old  
We're strong and we're bold  
Oh we're from Whittle (Yellow & Black)  
Oh we're from Whittlesea
